EDUCATION

Information Technology
Southern-Eastern University
of Applied Sciences
2022–active

Upper Secondary School
Eira High School for Adults
Year of Graduation: 2011

PROFILE

I am a second-year Information Technology student pursuing a bachelor's degree in engineering. In my studies, I focus on various network technologies, data centers, and IoT, which provide me with a solid foundation in the IT field and allow specialization according to my interests. In addition, I am learning programming and network security.

SKILLS

- Network Technologies: Cisco
- Programming Languages: C#, Python, Javascript
- Web Development Tools: React, Node.js
- Databases: MongoDB, SQL
- Operating Systems: MacOS, Linux, Windows
- Container Technology: Docker

EXPERIENCE

Sales Associate, Lidl Suomi KY
2013–2019

I actively participated in the store's daily tasks, such as customer service and cashier work, product display, and general store cleanliness. Additionally, I acted as a service trainer, responsible for the orientation of new employees in store operations.

Shift Manager, Lidl Suomi KY
2019–active

As a shift manager, I am responsible for leading and supervising store team, with the aim of ensuring high-quality customer service and proficient execution of various tasks.
