PROFILE

I am a third-year Information Technology student pursuing a bachelor's degree in engineering. My focuses are on network technologies, programming, and IoT, providing a solid foundation in the IT field while allowing for specialization based on my interests.

SKILLS

- Network Technologies: Cisco
- Programming Languages: C#, Java, JS, Python
- Web Development Tools: React, Node.js
- Databases: MongoDB, PostgreSQL, MySQL
- Operating Systems: MacOS, Linux, Windows
- Container Technology: Docker

EXPERIENCE

Shift Manager, Lidl Suomi KY
2019–2024

As a shift manager, I was responsible for leading and supervising store team, with the aim of ensuring high- quality customer service and proficient execution of various tasks.

Sales Associate, Lidl Suomi KY
2013–2019

I actively participated in the store's daily tasks, such as customer service and cashier work, product display, and general store cleanliness. Additionally, I acted as a service trainer, responsible for the orientation of new employees in store operations.
