

I am a final year Information Technology (B.Eng.) student from South-Eastern Finland University of Applied Sciences, specializing in Full Stack development, machine learning, and modern technologies (especially Cisco).

## Experience

### Metavu – Full Stack Developer Trainee

August 2025 - Present (Mikkeli, Finland)

During this internship, I am actively enhancing my skills in areas such as React, serverless technology (AWS), and API configurations. I work closely in a collaborative team, gaining valuable experience in the full stack development lifecycle of web applications.

### LIDL Suomi KY – Sales Associate / Shift Manager

March 2013 - August 2024 (Helsinki, Finland)

I actively participated in the store's daily tasks, such as customer service and cashier work, product display, and general store cleanliness. Additionally, I acted as a shift manager, responsible for leading and supervising the store team, as well as handling cash settlements and counting the safe at the end of shifts.
