Jesse Sillman
IT-Engineer student

Helsinki/Mikkeli, Finland

I am a third year Information Technology (B.Eng.) student from South-Eastern Finland University of Applied Sciences, pursuing specialization in modern network solutions, programming, cloud services, and IoT applications through a flexible, hands-on study program.

Experience

LIDL Suomi KY – Sales Associate / Shift Manager
March 2013 - August 2024 (Helsinki, Finland)

I actively participated in the store's daily tasks, such as customer service and cashier work, product display, and general store cleanliness. Additionally, I acted as a shift manager, responsible for leading and supervising the store team, as well as handling cash settlements and counting the safe at the end of shifts.

Certificates

Cisco Networking Academy
January 2023 - December 2024

I gained solid expertise in designing, configuring, and securing networks, including skills in switching, routing, wireless technologies, VPNs, and firewalls, while also developing foundational experience in network automation and programmability through the use of APIs and Python.

- Emerging Technologies Workshop - Model Driven Programmability
- Networking Essentials
- Enterprise Networking, Security, and Automation (CCNAv7)
- Switching, Routing, and Wireless Essentials (CCNAv7)
- Introduction to Networks (CCNAv7)

AWS Cloud Foundations
January 2023 - December 2024

I gained fundamental knowledge of cloud computing concepts, including core AWS services, cloud architecture, security and billing principles. I also gained practical understanding of basic cloud deployment strategies and the fundamentals of operating within the AWS environment.

Education

Bachelor of Engineering (IT)
South-Eastern Finland University of Applied Sciences, Mikkeli, Finland
(Aug 2022 - Present)

Matriculation Examination
Eira High School for Adults, Helsinki, Finland
(2011)

Portfolio
